Academy News

Dear Parents,

Happy Holidays from the staff at Coppens Academy! As the year winds down, many of us are busy planning for a variety of festivities to celebrate the holidays. Each classroom hopes to embrace the true meaning of the holidays by celebrating with friends and family and learning about their traditions and celebrations. If your family has any traditions they would like to share with the class, please speak to your child's teacher and we will do our best to find books and objects to show the class and teach about the many ways to celebrate during this cheerful season.

Please check out the website at www.coppensacademy.com for more interesting information and upcoming events.

Events

Word on the street is a big jolly man in a red suit will be stopping by the Academy this month! We have split up the festivities into two days - December 22nd and December 23rd.

Classes will put on a wonderful festive concert for our parents, followed by a little visit from Santa who has a present for each and every one of our friends. All friends and family are invited! Children who do not usually attend the Academy on these days are most certainly welcome and invited to attend the party - please let us know so we can ensure that Santa brings enough presents with him! Parents of these children must stay on the premises with their children at all times, as we do not have the staff to maintain child to staff ratio with the added numbers.
