Coppens Academy Childcare - CWELCC Participation Announcement
June 15, 2023

We've got fantastic news!! Coppens Academy is very excited to announce that we have reached an agreement with the City of Kingston and the Government of Ontario regarding the implementation of the Canada-Wide Early Learning & Child Care system (CWELCC), more commonly referred to as "$10-a-day daycare".

Beginning soon, daycare fees at both of our centres will be reduced by 25% for all of our parents and guardians of children in full-day programs under CWELCC. Additionally, these parents will receive a reimbursement of 25% of Coppens Academy daycare fees paid, retroactive to April 1st, 2022. We are thrilled to be able to be part of this program and can't wait for our families to benefit from this rewarding partnership.

We must also clarify that our participation in this program is contingent on our ability to continue to provide the best possible care for our children. Sorting out the details of this agreement has not been easy, and while we currently believe our participation is in the best interest of our children and families, we cannot guarantee this will always be the case. The provincial and municipal governments have presented many unknown variables and are actively adjusting the terms of the agreement. Therefore, until a final agreement is solidified, we will continue to evaluate our involvement in this program as time goes on.

As always, our primary concern is the care of our children, and we hope that this partnership will strengthen our ability to continue offering the most loving, caring, and educational childcare possible while making things more affordable for our families. If you have any questions about our participation in the $10-a-day daycare program, please give us a call at 613-331-3993 for our Golden Mile Road location, or 613-507-3993 for our Division Street location! Thank you for reading and have a great day!!

Sincerely,
Pamela and Gregory Coppens
